Formerly the Women's Center of SE CT

Share the joy of the season with families in our community experiencing the devastating effects of domestic violence. and abuse. Bring smiles to those needing kindness, comfort, and caring this Holiday Season.

Ways You Can Help Brighten the Holidays for a Family in Crisis

Adopt-A-Family

Help us fulfill the Holiday wishes for over 70 families currently in crisis or transition in our community. Donors purchase items from a Wish List provided by each “adopted” family.

Holiday Wish List

Donate new, unwrapped gifts from our lists of ideas to be distributed to women and children fleeing violence, experiencing homelessness due to domestic violence or dealing with day-to-day survival.

Gift Cards

Gift cards allow clients to regain their dignity and self esteem by providing the opportunity to choose what they need, when they need it during the Holidays and throughout the year. Women who have recently left their abuser are often without financial resources for basic needs. Gift cards are a gift of hope for families when they have fled leaving everything behind. \$10, \$20, \$50 denominations are appreciated.
